From The Economic Times

FGILI bullish on tech, aim to capture youth; Premiums likely to moderate, says CEO

Aim is to capture the attention and loyalty of millennials and GenZ to ensure a bright future for the company, said Bruce de Broize, MD & CEO, FGILI in an interview with ETBFSI. Talking about the market conditions, regulatory landscape and more, he feels that insurance premiums are likely to increase soon. Read here:

Bruce de Broize, MD & CEO, Future Generali India Life Insurance

Here are the Edited Excerpts:

Q) How do you see the current regulatory environment?

The IRDAI has been instrumental in ensuring fair and transparent practices, protecting the interests of policyholders, and promoting healthy competition among insurers. Furthermore, recent government initiatives on commission payments are beneficial for insurers.

ETMarkets Smart Talk- Direction of market from hereon will be largely determined by earnings growth: Niraj Kumar

While the bank will see a moderation in its Net Interest margins (NIM's) due to drag from CRR & SLR, the decline in cost to Income will mitigate a large part of the impact and hence we do not see any material impact on the ROA of the bank.

"We are enthused by earnings prospects of domestic facing sectors like BFSI, Cement, Infrastructure and Capital Goods etc.," says Niraj Kumar, Chief Investment Officer, Future Generali India Life Insurance Company Ltd.

In an interview with ETMarkets, Kumar said:

"India is a shining economy and structurally well placed as an investment destination to command higher valuation and do reasonably well over medium to long term" Edited excerpts:

Market are climbing new peak every day with Sensex at 66,000 while Nifty50 is above 19,500 levels – is the market running ahead of fundamentals?

After nearly 18 months of consolidation, Indian Equity markets have had a strong run since April 2023. The performance of the Equity market has been aided by factors like the anticipation of a soft landing in the US with inflation coming off while labour market remains reasonably buoyant, strong domestic fundamentals, and the return of foreign flows (~Rs75,000 Crores since April).

Five steps to help you find the best life insurance plan

Authored by Nilesh Parmar, Chief Operating Officer and Chief Technology Officer, Future Generali India Life Insurance Company Limited

While choosing a life insurance plan may seem daunting at first, you could benefit from assessing five important parameters to narrow down on a plan and insurer that is most suited to their needs.

With an increasing urge to build financial immunity driving more Indians to purchase a new life insurance plan or augment their existing coverage, there is an increasing tribe of consumers who are looking for guidance on how to go about the decision-making process. Choosing an insurer that offers the lowest premium or opting for a basic life cover with a low sum assured may be counterintuitive to the aim of safeguarding your loved ones in your absence. To add to the perplexity, there is a wide range of life insurance products that are on offer by a couple dozen insurers in India today, with subtle nuances distinguishing them from each other.

Whether you plan to supplement an existing policy or make your first life insurance plan purchase, following the below five steps could help in evaluating which life insurance plan is most suited to your requirements.

किन जीवनको प्रत्येक चरण वित्तीय योजना शुरू गर्न सही समय हो

तपाईंको उमेर बढ्दै जाँदा तपाईंको प्राथमिकताहरूमा परिवर्तन हुन निश्चित छ, तनावमुक्त जीवन जिउन अनि आफ्नो वित्तीय लक्ष्यहरू प्राप्त गर्न सहयोगार्थ वित्तीय नियोजन आवश्यक छ।

बढ्दो उमेरसँगै हाम्रो आवश्यकता अनि आकांक्षाहरू परिवर्तन भइरहन्छ। यसैले जीवनमा अनिश्चितताहरूमा जाँगिन अनि भविष्यको खर्चहरूको योजना बनाउने समय मुद्रास्फीतिको प्रभावलाई ध्यान दिनु महत्वपूर्ण हुन्छ। वित्तीय योजना प्रारम्भिक शुरुआत गर्नु र त्यसै अनुरूप छिटकट गर्नुले तपाईंको सपनाहरू पूरा गर्न सहयोग मिल्न सक्छ र आउन सक्ने कुनै पनि चुनौतीहरूको सामना गर्न सहयोगसिद्ध हुन्छ। जीवनको विभिन्न चरणमा आ-आफ्नो अनौठो चुनौतीहरू अनि अवसरहरू हुँदछ। आउनुहोस् हामी वित्तीय नियोजनका विभिन्न पक्षहरूको खोज गर्छौं अनि तपाईंका भविष्यका सबै आवश्यकताहरू पूरा गर्न सधैं जीवनमा घटने अप्रत्याशित घटनाहरूको सामना गर्न स्थायी पुँजी बनाउन कसरी सहयोग गर्न सकिन्छ भन्नेबारे छलफल गर्छौं।

आर्थिक तनावबाट बाँच्न सक्ने बचत गर्नुहोस्

आदर्श रूपमा, वित्तीय योजना तपाईंको प्रारम्भिक बचतक तपाईंको जीवनमा शुरू गर्नुपर्छ। यो समय

अधिकांश वित्तीय बानीहरू समावेश हुन्छन्। तपाईंको भविष्य सुरक्षित गर्न बचत अनि वित्तीय उत्पादहरूमा निवेश गरेर सम्भव हुन्छ। तपाईंले कमाई गर्नु शुरू गर्नसाथै सोही समयदेखि स्वस्थ बचतको बानी विकसित गर्नुले तपाईंको दीर्घकालीन वित्तीय आवश्यकताहरूको निम्ति दिशा निर्धारित गर्नेछ। मासिक बचत सिर्जना गर्ने, क्रेडिट ऋण वा विद्यार्थी ऋणहरू भुक्तान गर्ने र दैनिक खर्चहरू व्यवस्थापन गर्ने जस्ता साना लक्ष्यहरू सेट गर्नु राम्रो शुरुआतका बिन्दुहरू हुन्। क्रेडिट कार्ड वा ऋण मार्फत अल्पकालीन आवश्यकताहरूको खर्चाट टाढा रहनु तपाईंको प्रारम्भिक २० वर्षको उमेरको समयमा धन-उत्पादन गर्ने अवसरहरूमा लगानी गर्नु जतिकै महत्वपूर्ण छ। योसँगै तपाईंको आय र बचतको मात्रा तपाईंको उमेर बढ्दै जाँदा विस्तार हुँदै जाने भएकोले वित्तीय योजना अझ सान्दर्भिक हुन्छ। तपाईंको परिवर्तनशील वित्तीय आवश्यकताहरू अनुरूप तपाईंको लगानी रणनीतिलाई परिवर्तन गर्न सहयोगसिद्ध हुन्छ।

बुद्धिमानीपूर्वक लगानी गरेर मिश्रित प्रतिफल पाउनुहोस्
प्रारम्भिक उमेरमा नगद प्रवाहको मात्र प्रबन्ध गर्नुको सट्टा आफ्ना प्रियजनहरूलाई सुरक्षित गर्नको लागि दीर्घकालीन सम्पत्ति सिर्जनामा ध्यान केन्द्रित हुनुपर्छ।

आगामी दशकमा भारतीय अर्थव्यवस्था अन्तः प्रमुख अर्थव्यवस्थाहरूभन्दा अघि हुने अनुमान साथै आफ्नो निवेश बाँचा चाँडै शुरू गर्नले तपाईंलाई उच्च रिटर्न प्राप्त गर्न सहयोग मिल्न सक्नेछ अनि तपाईंको पैसाले समय अनुरूप तपाईंको निम्ति काम गर्नुसक्छ। चक्रवृद्धि रिटर्न प्राप्त गर्ने सम्भावनालाई बढाउन साथै उच्च जोखिम उठाउने क्षमता दहिलो बनाउन तपाईंको उमेर २० वर्षको अथवा ३० वर्षभन्दा अघि नै बजारसँग संलग्न उत्पादहरूमा निवेशको शुरुआत गरिसक्नुपर्छ। तपाईंको प्राथमिक लक्ष्यमा घर किन्ने, आफ्नो नानीहरूलाई उच्च शिक्षा हासिल गराउन विदेश पठाउन अनि उनीहरूको विवाहको निम्ति धन संग्रह गर्न हुनपर्छ। इन्फ्लेटी, म्युचुअल फण्ड, भविष्य निधि, बुलिफ अनि यस्ता अन्य साधनहरूमा निवेश गर्नले आफ्नो बचतको एक अनुपातिक राशि अलग राख्नाले यी दीर्घकालीन सपना अथवा लक्ष्यहरूलाई प्राप्त गर्नमा सहयोग मिल्न सक्छ।

तपाईंका प्रियजनहरूलाई पर्याप्त बीमाको साथ सुरक्षित राख्नुहोस्

उमेर सँगसँगै तपाईंको जोखिम उठाउने क्षमता घट्दै जान्छ। यसर्थ तपाईंको उमेर ३० वर्षको अन्ततिर पुग्दा कम जोखिम र निश्चित फिर्ताका साधनहरूमा आवण्टन बढाउनु सान्दर्भिक छ। तपाईंको परिवारको स्वास्थ्य

सुरक्षित गर्न बीमा योजनाहरू खरिद गर्नु र तपाईंको अनुपस्थितिमा पनि उनीहरूलाई राम्रोसँग हेरचाह गरिने व्यवस्था सुनिश्चित गर्ने उपयुक्त जीवन बीमा कभर प्राप्त गर्नु यस चरणमा अत्यधिक सिफारिस गरिएको छ। यसबाहेक, बचत र लगानी दुवै साधनको रूपमा काम गर्ने बचत जीवन बीमा योजनाको साथ अतिवधि बीमा कभरको सुझाव दिइन्छ। तपाईंले आफ्नो जोखिम उठाउने क्षमता अनि बजारको आधारमा बजारसँग संलग्न अनि पारम्पारिक जीवन बीमा योजनाहरूमा मात्र छनौट गर्न सक्नुहुनेछ। आफ्नो दीर्घकालीन पुँजी आवश्यकताहरू अनुरूप बीमा राशि बढाउन अनि सरल या चक्रवृद्धि बोनस जस्ता संघी फाइदाहरूलाई छनौट गर्न, तपाईंलाई वित्तीय लक्ष्यहरूसम्म पुग्नाउन तपाईंको सहयोग गर्न सक्नेछ। वित्तीय योजनाहरूले मानिसलाई जीवनका हरेक चरणमा उनीहरूको आवश्यकता, चाहना र आकांक्षाहरू पूरा गर्न सक्षम बनाउँछ। यो बाँचा शुरू गर्न कहिले पनि ढिलो हुँदैन, आफ्नो वित्तीय योजना बाँचा चाँडै शुरू गर्नुहोस् र आफ्नो समग्र रणनीतिलाई आवधिक रूपमा बढाउनुहोस्, यो राम्रो कार्य हो। (यस लेखका लेखक मिलेश परमार हुन्। फ्यूचर जेनेराली इन्डिया लाइफ इन्श्योरन्स कम्पनी लिमिटेडका चीफ ऑफिसरिङ ऑफिसरएवं चीफ टेक्नोलोजी ऑफिसर हुन्।)

NATIONAL INSURANCE AWARENESS DAY: DECODING THE PERCEPTIONS OF THE CUSTOMER'S MIND

Future Generali India Life Insurance recently conducted an insightful study on the perceptions and preferences surrounding life insurance in honour of National Insurance Awareness Day. The report highlights key hurdles consumers face when purchasing life insurance or enhancing their coverage, especially the rising discontent amongst Gen-Z policyholders, who remain unenthused by the lack of transparency, trust and commitment displayed by life insurers during the policy period. The research has been conducted in association with YouGov.

Apart from covering perceptions around life insurance products and providers, the study also delves into important details such as major expectations from life insurance products, key influencers in the decision-making process, barriers for investing and the triggers for purchasing life insurance. The report also analyses the main intentions behind increasing policy coverage as well as the preferred channels and modes for purchasing life insurance. With 72% of respondents being existing life insurance policy holders and the remaining being non-owners or intendees, the survey throws up interesting consumer insights that serve to underscore the focus areas for insurers in the country.

The policy also highlights a few intriguing insights:

- Also, despite 89% of the participants viewing life insurance as an instrument to achieve future financial security, more than 50% believe it to be an appealing savings product that also offers superlative tax benefits.
- More than a third (39%) of those in the 45+ yrs age group have opted for life insurance to secure lump sum or regular pay-outs, indicating changing purchasing preferences as consumers age.
- Across the younger respondents though, aspects such as income protection and the potential to generate better returns than traditional saving instruments remain the top drivers to purchase life insurance products.

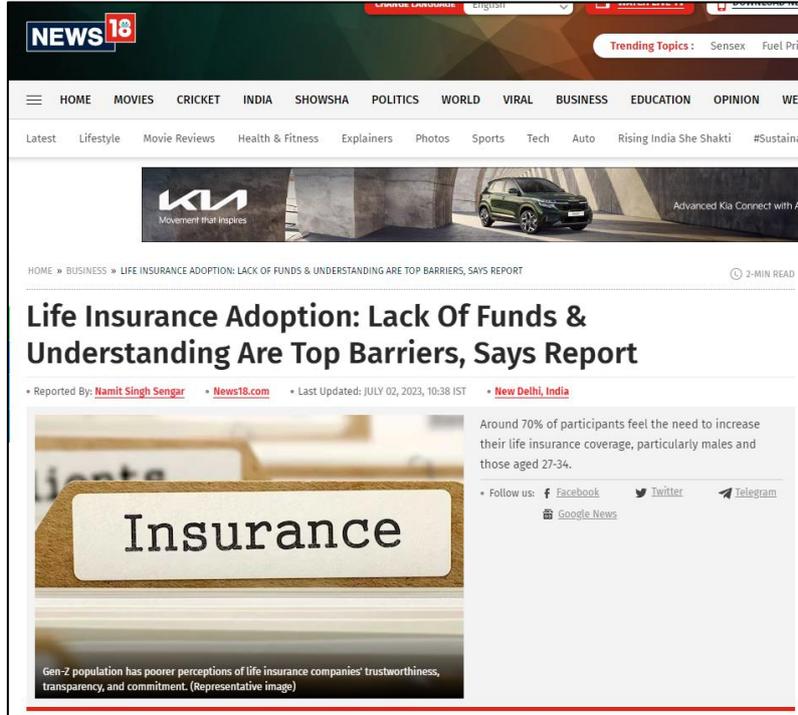

While securing their family against future financial challenges remains the main driver for 83% of the respondents, more than 70% of life insurance consumers believe that they could secure their child's education and medical emergencies expenses with adequate insurance coverage.

Commenting on the survey findings, Geetanjali Chugh Kothari, Chief Marketing Officer of Future Generali India Life Insurance, said, "Our survey highlights the pressing issues faced by consumers in the life insurance market, particularly the emerging reservations among GenZ policyholders. Transparency, trust, and commitment are the pillars of a successful customer-insurer relationship, and it is evident that we need to bridge the gap in these areas. At Future Generali India Life Insurance, we are committed to embracing these challenges and developing innovative solutions that meet the evolving needs of our policyholders."

"The survey sheds light on consumers' major expectations from life insurance products and organisations, enabling us to fine-tune our offerings and ensure they align with the preferences and requirements of our valued customers. We also recognize the significance of key influencers in the decision-making process and will continue to build strong partnerships to guide and support individuals in making informed choices," added Geetanjali Chugh Kothari.

Mumbai: Future Generali India Life Insurance Co. Ltd., an insurance service provider, is pleased to announce the appointment of Peuli Das as the Chief Insurance Officer. Peuli comes with close to two decades of diverse work experience in Actuarial, Risk, Finance, and Investment domains. As the Chief Insurance Officer, she will be responsible for the company's Insurance Function, which entails Product Development, Management, Pricing, and Reinsurance.

In her previous roles, she served as MD, Actuarial, Insurance Analytics, and Artificial Intelligence at Accenture and as the Chief and Appointed Actuary in IndiaFirst. Her prior experiences include working in India and abroad for leading brands such as, Reliance Life, Exide Life, HDFC Life, New York Life, and Deutsche Bank.

Future Generali India Life Insurance Co. Ltd., CEO & managing director Bruce de Broize emphasised the significance of the "Insurance for all by 2047" initiative and expressed enthusiasm. He stated, "As the Chief Insurance Officer, I believe Peuli with extensive expertise and visionary approach will drive product innovation, aligning with our goal of user-friendly and customer-oriented offerings that bring substantial value to people's lives. We are delighted to have Peuli on board, and we anticipate her contributions in shaping our product offerings that provide tangible benefits to both our company and our customers."
