## NAV calculation for Regular and Single Premium:

**Unit Price:** A unit in each fund has its own price called the Net Asset Value (NAV). The NAV of each fund is calculated on daily basis with the following formula:

### When Appropriation (Purchasing) price is applied:

$$\text{NAV} = (\text{Market Value of Investment} + \text{Express incurred in the purchase of the assets} + \text{Current Assets} + \text{Accrued Income net of Fund Management Charges} - \text{Current Liabilities} - \text{Provisions}) / \text{Number of Units outstanding (before any new units are allocated)}$$

### When Expropriation (Selling) price is applied:

$$\text{NAV} = (\text{Market Value of Investment} - \text{Express incurred in the sale of the assets} + \text{Current Assets} + \text{Accrued Income net of Fund Management Charges} - \text{Current Liabilities} - \text{Provisions}) / \text{Number of Units outstanding (before any units are redeemed)}$$

In respect of premiums received up to 3.00 p.m. under a local cheque or a demand draft payable at par or by way of cash, the closing NAV of the day on which the premium is received shall be applicable. In respect of premiums received after 3.00 p.m., the closing NAV of the next business day shall be applicable.

In respect of premiums received under outstation cheques/demand drafts, the closing NAV of the day on which the cheques/demand draft is realized shall be applicable

All requests for switch, redirection, surrender or partial withdrawal received up to 3.00 p.m. will be processed at the closing NAV of the day on which the request is received. All such requests received after 3.00 p.m. will be processed at the closing NAV of the next business day.

The premiums will be adjusted on the due dates if they are received on or before the due dates. If received after the due dates, where they will be adjusted on the date of such receipt.

## 8. Nomination & Assignment

Provided the policyholder is the life assured, he / she may, at any time before the policy matures for payment, nominate a person or persons as per Sec 39 of the Insurance Act 1938, to receive the policy benefits in the event of his / her death.

Assignment is not allowed under this plan.

## 9. Free-Look Period

If the policy owner is not satisfied with the policy, he can apply in writing to Future Generali for cancellation of the policy within the free look period of 15 days from the date of receipt of the policy document, stating the reason for objection. Future Generali will refund the premium paid subject to the deduction of the proportionate risk premium (for Term Rider, if opted) for the period of cover and expenses incurred by us towards medical examination, if any and stamp duties. In case the values of the units have fallen significantly over this period, we retain the right to recover from the amount to be refunded an amount to the extent of such fall in value.

## 10. Grace Period

A grace period of 30 days from the premium due date is available for all premium modes except for monthly mode where it is 15 days. If premiums are not paid in the days of grace, a policy lapses. A lapsed policy may be reinstated within the reinstatement period. This will be subject to satisfactory proof of insurability if term assurance rider is to be reinstated.

## 11.Reinstatement Period

# FUTURE GENERALI INDIA LIFE INSURANCE CO LTD

## UNDER THIS PLAN, THE INVESTMENT RISK IN INVESTMENT PORTFOLIO IS BORNE BY THE POLICYHOLDER

If the premiums are not paid within the period of grace and the policy is not surrendered, the policy can be reinstated within a period of 3 years from the due date of the first unpaid premium and before the date of maturity while the life assured is still alive. The reinstatement will be considered on receipt of written application from the policyholder along with the proof of continued insurability of life assured in case of term assurance rider and on payment of all overdue premiums. The Company may, at its absolute discretion accept or decline the request for reinstatement of the lapsed policy, or accept the request for reinstatement on such terms and conditions as per the underwriting guidelines.

### **12. Discontinuance of due premiums**

For Regular Premium policies

#### **- Discontinuance of due premiums before completion of 3 policy years:**

If all the due premiums have not been paid for at least 3 consecutive years from inception, the life cover for term assurance rider, if opted for, shall cease immediately. However, the policyholder will continue to participate in the performance of the fund till the end of revival period. Fund management charges will continue to be deducted till such time. No other charges will be deducted.

The policy may be revived within the revival period of 3 years from the date of first unpaid premium or up to maturity, if earlier.

In case a policy is not revived during this period, the policy shall be terminated and the surrender value shall be paid at the end of the period allowed for revival.

When the surrender value reaches an amount equivalent to one full year's premium, the contract shall be terminated by paying the surrender value.

#### **- Discontinuance of due premiums after payment of at least 3 years' premiums:**

If all the due premiums have been paid for at least three consecutive years and subsequent premiums are unpaid, a policy may be revived within the revival period of 3 years from the date of first unpaid premium. The policyholder will continue to participate in the performance of the fund till the end of revival period. Fund Management charges will continue to be deducted until such time. No other charges will be deducted.

**For Single Premium policies – The policy can be surrendered any time after the completion of 3 policy years from the date of inception.**

### **13. Exclusion (Under term Assurance rider)**

No benefit will be payable in respect of any condition arising directly or indirectly from, through or in consequence of the following exclusion :

- **Suicide Exclusion:** If the life assured commits suicide within one year from the risk commencement date or reinstatement date if reinstated, whether sane or insane at that time, the policy will be void and no claim will be payable.

6. All premiums/benefits payable under this plan are subject to applicable laws and taxes including service tax, as they exist from time to time.

7. All premiums and charges are subject to taxes including the Service Tax that shall be deducted from your Unit Account.

## PROHIBITION OF REBATES

Section 41 of the Insurance Act, 1938 states:

No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer:

**Provided** that acceptance by an insurance agent of commission in connection with a policy of life insurance taken out by himself on his own life shall not be deemed to be acceptance of a rebate of premium within the meaning of this sub-section if at the time of such acceptance the insurance agent satisfies the prescribed conditions establishing that he is a *bona fide* insurance agent employed by the insurer.

Any person making default in complying with the provisions of this section shall be punishable with fine which may extend to five hundred rupees.

## NON-DISCLOSURE

Section 45 of Insurance Act, 1938 states:

Under the provision of section 45 of the Insurance Act, 1938, the company is entitled to repudiate a policy on the ground that a statement made in the proposal or in any report of a medical officer or referee or friend of the insured or any document leading to issue of the policy was inaccurate or false, before the expiry of 2 years from the effective date of the policy, and thereafter that if such false or inaccurate statement was on a material matter or suppressed facts were material to disclose and it was fraudulently made and the policyholder knew that the statement was false or was material to disclose.

**Provided** that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.
