This benefit applies if it is in force on the date of death of the proposer. The non-forfeiture provisions do not apply to this benefit.

If the Policyholder, whether sane or insane, commits suicide within one year from the commencement of the rider or revival date, if the rider has been revived, the rider will be void and no benefit will be payable under the rider.

However if the policy has acquired surrender value then such surrender value shall become payable.

4. GUARANTEED ADDITIONS

These are annual benefit additions assured to be paid under the plan. They are calculated as an annual compound rate of 3.5% per annum of the Sum Assured and already attached guaranteed additions, if any, for the first 5 years of an in-force policy. Guaranteed additions attach to a policy at the end of each policy year only if it is in full force.

5. PARTICIPATION IN PROFITS AND BONUS

The Policy shall participate in the profits of the Company's Participating Life Assurance Policyholders' Fund after 5 years from the policy commencement date of

the policy. It gets a share of the profits emerging from the Company's Participating Life Assurance Policyholders' Fund in the form of bonuses. Compound Reversionary Bonuses are declared as a percentage rate, which apply to the sum assured and guaranteed additions plus the reversionary bonuses already attaching on the Policy. They are declared annually at the end of each financial year based on the Statutory Valuation carried out under prevailing Regulations. Once declared, they form a part of the guaranteed benefits of the Policy.

Reversionary Bonus would normally be declared as at 31st March every year. They are payable at the expiry of Benefit Term/ Premium paying term along with the sum assured of the policy.

In case the premiums shall not be duly paid, the Policy shall cease to participate in profits irrespective of whether or not the Policy has acquired the Surrender Value.

6. PREMIUM

A. Payment of Premium

Installment premiums are required to be paid on the premium due dates until such time as stipulated in the Policy Schedule.

The premiums shall be deemed to have been paid only when they have been received at the Company's head office or any other office authorized by it for that purpose.

B. Premium change

You may change the frequency or mode of premium payments by a written request. Subject to our minimum premium requirements and the availability of the desired mode under this plan of assurance, mode can be changed at the premium rates applicable on the risk commencement date.

C. Deduction of Premium on claim

Provided the Policy / Rider benefit is in force and it becomes a claim, any balance of premiums due till the next Policy anniversary, as on the date of death, shall be deducted from the claim proceeds payable under the Policy / Rider benefit.

If policy is under auto cover and a benefit is in force and it becomes a claim, any balance of premiums due till the next Policy anniversary including arrears of premiums and interest thereon, as on the date of death, shall be deducted from the claim proceeds payable under the Policy benefit.

D. Premium Cessation

In case of the death happening during the Premium paying term, the benefit terminates after payment of the claim and further premiums are not required to be paid, subject to the provisions of Sec 6 [C] of the Policy Provisions in this document.

7. GRACE PERIOD

During the first 3 years of policy duration:

A grace period of 30 days from the premium due date will be allowed for payment of yearly, half yearly or quarterly premiums and 15 days for monthly premiums. The policy will remain in force during the grace period. If any premium remains unpaid at the end of the grace period, the policy shall lapse. The policy benefit thereafter would have no further value except as provided under the non- forfeiture provisions.

After the first 3 years of policy duration:

A grace period of 30 days from the premium due date will be allowed for payment of yearly, half yearly or quarterly premiums and 15 days for monthly premiums. The policy will remain in force during the grace period. If any premium remains unpaid at the end of the grace period, the auto cover benefit will be provided.

8. AUTO COVER

If the policy has been in force for at least 3 years, the death cover will not lapse on non-payment of premiums for a maximum period of 2 years from the due date of first unpaid premium (such period called the auto cover period). However, the rider benefits, if any will cease. The policy shall become non-participating during the auto cover period, and will become participating again on receiving arrears of premiums and interest thereon. The arrear premium with interest as charged by the company from time to time is to be paid within 2 years from the due date of first unpaid premium but before the end of premium paying term, in case of revival. If arrear premiums are not paid within 2 years from the due date of first unpaid premium, then policy will be converted into a reduced paid-up retrospectively from the due date of first unpaid premium. The policy will become non-participating upon being converted into a reduced paid-up.

The additional death benefit, if any, of twice the sum assured ceases on non-payment of due premiums. In case of accidental death of life assured during the auto cover period only one basic sum assured will be payable

9. REVIVAL

If a premium is in default beyond the Grace Period and provided that the Policy is not surrendered, the Policy may be revived, subject to such conditions as the Company at its discretion may decide. Such revival is possible within three years

Terms and Condition of your Policy

Future Saral Anand

from the due date of the first premium in default but before the end of the premium paying term and within the lifetime of the life assured, and is subject to:

- Your written application for revival;
- Production of life assured's health declaration and other evidence of insurability to our satisfaction;
- Payment of all overdue premiums with interest; and
- Repayment of any indebtedness at the time of revival.

Interest will be charged at a rate declared by us from time to time.

10. NON-FORFEITURE PROVISIONS:

Your Policy acquires Surrender Value after the premiums have been paid for at least three consecutive years from the policy commencement date.

If you do not pay the premium within the Grace Period, auto cover will be provided as specified in Section 8 of this policy. Provided however, that if the Policy has acquired Surrender Value, the following non-forfeiture options would be available to you.

A. Surrender of Policy

The Surrender Value is paid to you should you decide to surrender your Policy. Once the Policy is surrendered, all benefits under the Policy will immediately terminate and the Policy will not be eligible for revival. The amount payable to you on surrender of the Policy would, at all times be equal to the Surrender Value under the Policy less any indebtedness.

The Surrender Value on a Policy will depend on the term of the Policy, the number of years for which premiums have been paid, the sum assured, guaranteed additions, vested bonuses and the duration elapsed at the time of surrender and it shall be the higher of the Special Surrender Value and the Guaranteed Surrender Value. The Surrender terms will be declared by the Company from time to time and will be based on past financial and demographic experience of the Company with regard to your Policy/group of similar Policies, as well as our assessment of such likely future experience.

The minimum Surrender Value (or Guaranteed surrender value) allowable under a policy is equal to 30% of all regular premiums paid excluding the first-year premium, excluding extra premiums and excluding the cumulative total of any payments made towards the basic policy benefit payments as shown in Part B.. Premium paid for riders will not be considered while determining the Guaranteed Surrender Value. Any indebtedness will be deducted from the Guaranteed Surrender Value.

Such Guaranteed Surrender Value on a regular premium policy is allowable after premiums have been paid for at least three consecutive years. A discounted value of the guaranteed additions and bonuses allocated to the Policy will also be added. The applicable interest rate for discounting will be declared by us from time to time.

The Special Surrender Value will be based on an assessment of the asset share progression at different durations of the policy. This assessment would be based on the Company's past financial and demographic experience of the Policy / group of similar Policies and likely future experience and will be reviewed from time to time depending on changes in internal and external experience and likely future experience.

The policy shall terminate on surrender as full and final settlement under the policy

B. Reduced Paid-Up Value

You may choose to continue with this Policy as a non-participating, paid-up insurance for a reduced Sum Assured; the Sum Assured being reduced in the proportion as the number of premiums actually paid shall bear to the total number of premiums payable as stipulated for in the Policy Schedule. However the additional death benefit of two times of sum assured is not available for a paid-up policy. The amount so obtained will be added with the guaranteed additions and bonuses already attached to the Policy as on the due date of the first unpaid premium. The policy shall then cease to participate in future profits arising out of the Company's 'With Profits' life insurance business. Where the policy has not completed five full years, it will not be entitled to any future guaranteed additions.

If a policy is not subsequently revived, this reduced Sum Assured shall be used in calculating the various benefits payable (shown below under section 10(B)(i) & 10(B)(ii) under the basic policy at predetermined date / death under the policy.

i) On Death

If death occurs during the premium paying term: reduced Sum Assured plus Guaranteed Additions plus the bonuses, if any attached to your policy till the date of policy becoming paid-up is payable

If death occurs after the premium paying term but before the policy expiry date; 150% of reduced Sum Assured is payable

ii) On Survival up to benefit term: reduced Sum Assured plus Guaranteed Additions plus the bonuses, if any attached to your policy till the date of policy becoming paid-up is payable

C. Non Forfeiture provisions will apply to the 'Basic Policy benefit' only and not to any of the rider benefits stated in your Policy Schedule.

11. SPECIAL PROVISION WHERE LIFE ASSURED IS A MINOR

A. Vesting of the Policy

If the Policy is in force or otherwise has acquired Surrender Value on the vesting date, it shall vest on the life assured on that date. Upon such vesting, the Policy will be deemed to be a contract between Company and the life assured (also the policyholder henceforth) as the owner of the Policy. The erstwhile Policyholder or his Estate shall cease to have any right or interest therein.

B. Commencement of Risk

In case of a minor life assured,

- if death occurs before he completes 7 years of age; or
- his age in completed years at the risk commencement date or reinstatement date if reinstatement has been affected, is less than 7 years and he dies within two years of the risk commencement date or the reinstatement date;

the Policy will be cancelled and all premiums paid will be refunded to the policyholder

This provision overrides the risk commencement date as stated in the Policy Schedule.

12. CLAIM PROCEDURES:

A. Notice of Claim:

The death of the life assured must be notified immediately to us in writing. Other claims must be notified in writing, preferably not later than 20 days after the date the insured event happens. However, the delayed request may be accepted, if the claimant proves to the satisfaction of the Company that he had sufficient cause for not filing the claim within the above said period. The condonation of delay shall be solely at the discretion of the Company.
