HOW DOES IT WORK?

Step 1:

Decide your Policy Term - You may decide the tenure of your policy.

Step 2:

Decide your Premium - You may choose the amount of premium you would like to pay under the policy.

WHAT ARE YOUR BENEFITS?

Maturity Benefit:

In case of survival of Life Assured till the policy maturity, then the Sum Assured under the policy is payable as Maturity Benefit. The policy terminates on the payment of Maturity Benefit.

Death Benefit:

On unfortunate demise of the Life Assured during the Policy Term, the Death Sum Assured is paid to the nominee. The policy terminates on the payment of Death Benefit.

Death Sum Assured means, higher of:

- 10 times the Annualised Premium
- Sum Assured
- 105% of the total premiums paid (excluding Goods and Services Tax, extra premiums, if any) till date of death

Note:

- If the policy has been taken by a person (the proposer/Policyholder) on the life of another person who is a minor (the Life Assured) and the Policyholder predeceases the Life Assured during the minority of the Life Assured, no immediate benefit will be payable. On the death of the Policyholder while the Life Assured is a minor, the policy may be continued by the appointment of a new Policyholder under the policy. If policy has acquired Paid-up Value and new Policyholder is not available and/or legal guardian is not interested to continue the policy, the policy can remain in Paid-up conditions and provisions applicable for Paid-up Policies will apply. However where the legal representatives/legal guardian of the Policyholder wish to surrender the policy and have obtained necessary representation for the monies under the policy from a Court of a State or Territory of the Union of India that the monies will be utilised for carrying out day to day expenses/benefit of the minor, the policy proceeds will be paid as

per the Non-Forfeiture Provisions and the policy will be terminated thereafter.

If the policy has not acquired any Paid-up Value, it will lapse in case new Policyholder is not available and/or legal guardian is not interested to continue the policy.

- The policy vests on the Life Assured on the policy anniversary coinciding with or immediately following the 18th birthday of the Life Assured. Upon such vesting, the policy will be deemed to be a contract between the Life Assured (also the Policyholder henceforth) as the owner of the policy and the Company.

Sample premiums:

For a 15 year Policy Term, following is the premium for ₹1,000 Sum Assured.

Age in Years	Annual Premium without GST (₹)	First Year Premium		Premium from 2nd year onwards	
		GST @ 3.5% (₹)	Total Premium with GST (₹)	GST @ 1.75% (₹)	Total Premium with GST (₹)
30	56.29	1.97	58.26	0.99	57.28
40	57.38	2.01	59.39	1.00	58.38
50	60.72	2.13	62.85	1.06	61.78

Note: The Goods and Services Tax is calculated as per the Tax laws applicable from 1st June, 2015 and is subject to revision.

What are the Policy Terms available in this plan?

What is the Premium Payment Term available in this plan?

The premiums are to be paid throughout the Policy Term.

Who can buy this product?

Age at entry: 7 to 55 years (as on last birthday)
Maturity Age: 18 to 70 years (as on last birthday)

What is the minimum premium under this plan?

Minimum annual premium required to buy this plan is ₹9,000 (excluding applicable taxes).

What is the extent of Sum Assured given under this plan?

The Sum Assured is based on age at entry and the Policy Term. The maximum Sum Assured allowed under the plan is ₹5 crore.

More Value for Money vide Large Sum Assured Discount:

For Policyholders buying large Sum Assured levels, a large size discount is available in the tabular premium as given below:

Sum Assured (₹)	Discount in premium rates per 1000 S.A. (₹)
>=2.5 lakh to <5 lakh	3.00
>=5 lakh	5.00

For policies taken directly (i.e. without involving any channel) by Future Group employees, spouse of the employees and their blood relatives, no commission is payable and will be eligible

for a staff discount of 8% of premium. Blood relatives include children of the employee, parents of the employee, siblings of the employee (brothers/sisters)

What are the Premium Payment Modes available in this plan?

The premium can be paid only in Yearly/Half-Yearly/Quarterly/Monthly mode under this plan. Monthly premiums can only be paid by Electronic Clearing System (ECS). If Quarterly premium is less than ₹2,500, then it will be offered under ECS mode only. The premiums for various modes as percentage of Annual Premium are given below:

Monthly (by ECS)	– 8.83% of Annual Premium
Quarterly	– 26.5% of Annual Premium
Half-Yearly	– 52% of Annual Premium

Can I take a loan against my policy?

No loan is available under this policy.

Is there any Grace Period in the Policy?

A Grace Period of 30 days from the premium due date will be allowed for payment of Annual, Semi Annual and Quarterly mode and 15 days for monthly mode. The policy will remain in force for all policy benefits during the Grace Period. If any premium remains unpaid at the end of the Grace Period, the policy shall lapse from the due date of first unpaid premium. The policy benefit thereafter would have no further value except as provided under non-forfeiture provisions.

What happens if I discontinue paying premium?

During the first three years, if premiums are not paid within the Grace Period the policy will lapse.

After the first three years, if premiums are not paid within Grace Period, the policy will be made “Paid-up” and the Sum Assured will be reduced. The Sum Assured and Death Sum Assured will be reduced in the same proportion as the ratio of number of premiums paid to the total Premiums Payable under the policy.

On death of the Policyholder any time during the term of the policy, the reduced Paid-up Death Sum Assured will be paid to the nominee and the policy will terminate. The reduced Paid-up Death Sum Assured will be calculated as

Death Sum Assured * (Number of Premiums Paid/Total number of premiums payable)

On survival of Life Assured till maturity, the reduced Paid-up Sum Assured will be paid as survival benefit where the reduced Paid-up Sum Assured will be calculated as:

Sum Assured* (Number of Premiums Paid/Total number of Premiums Payable).

Can I revive a policy which is lapsed?

A lapsed policy can be reinstated for full benefits anytime within a period of two years from the date of first unpaid premium before the date of maturity at terms and conditions required by the Company.

Special Surrender Value:

The Company will pay a Special Surrender Value, which is either equal to or more than the Guaranteed* Surrender Value. This value will depend on the duration for which premiums have been paid and the policy duration at the date of surrender. In some circumstances, in case of early termination of the policy, the Surrender Value payable may be less than the total premium paid.

The Company will review the Special Surrender Value scales from time to time and may change the same, depending on the economic environment. A policy terminates on surrender and no further benefits are payable under the policy.

* Conditions Apply

Exclusions:

No benefit will be payable in respect of any condition arising directly or indirectly from, through or in consequence of the following exclusions and restrictions:

If the Life Assured commits suicide within one year from the revival date of the policy, if revived, the higher of, 80% of the premiums paid till the date of death and Surrender Value, will be payable as Death Benefit.
