Important things to know

Free look Cancellations

In case you disagree with any of the terms and conditions of the policy, you can return the policy to the Company within 30 days of its receipt for cancellation, stating your objections. Future Generali will refund the Fund Value as on the date of cancellation plus non-allocated premium plus charges levied by cancellation of units less deduction for proportionate cost of insurance cover for the period and expenses towards policy stamp duty and medical examination, if any.

If the Policy is opted through Insurance Repository (IR), the computation of the said Free Look Period will be as stated below:

- i) For existing e-Insurance Account: Computation of the said Free Look Period will commence from the date of delivery of the email confirming the credit of the Insurance Policy by the IR.
- ii) For New e-Insurance Account: If an application for e-Insurance Account is accompanied by the proposal for insurance, the date of receipt of the 'welcome kit' from the IR with the credentials to log on to the eInsurance Account (eIA) or the delivery date of the email confirming the grant of access to the eIA or the delivery date of the email confirming the credit of the Insurance Policy by the IR to the eIA, whichever is later shall be reckoned for the purpose of computation of the Free Look Period.

Lock in period

Lock in period means the period of 5 consecutive years from the policy commencement date, during which the proceeds of the discontinued policy cannot be paid by the insurer to the insured / policy holder except in the case of death or upon any contingency covered under the policy

Important things to know

Surrender

Policy can be surrendered any time during the policy term. The Surrender Value will be the Fund Value less discontinuance charge, if any, as mentioned as below.

Surrender before completion of 5 policy years: If policy is surrendered before the completion of lock in period of 5 policy years from the policy commencement date, the surrender value equal to fund value less applicable discontinuance charge will be kept in a Discontinued Policy Fund of the company. No subsequent charges except Fund management charge of 0.50% p.a. for the Discontinued Policy Fund will be deducted. The Discontinued Policy Fund would earn a minimum guaranteed interest as prescribed by IRDAI from time to time. Currently the minimum guaranteed interest rate is at 4% p.a.

The surrender value so accumulated will be paid immediately after the lock in period of 5 years. In case of death of the life assured during this period, the proceeds of Discontinuance Policy Fund will be payable to the nominee / legal heirs as applicable.

Surrender after completion of 5 policy years: If the policy is surrendered after the lock-in period, then the Surrender Value is the Fund Value at the prevailing NAV. It becomes payable immediately.

What is not covered?

Suicide Exclusion : In case of death due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, as applicable, the nominee or the beneficiary of the policyholder shall be entitled to the fund value, as available on the date of intimation of death. Further, any charges other than Fund Management Charges (FMC) recovered subsequent to the date of death shall be added back to the fund value as available on the date of intimation of death.
