General Terms & Conditions

1) Fraud and Misstatement

Please note the terms of Section 45 of the Insurance Act, **1938**, as amended from time to time, which states as follows:

- (1) *No Policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the Policy, i.e., from the date of issuance of the Policy or the date of commencement of risk or the date of revival of the Policy or the date of the rider to the Policy, whichever is later.*
- (2) *A Policy of life insurance may be called in question at any time within three years from the date of issuance of the Policy or the date of commencement of risk or the date of revival of the Policy or the date of the rider to the Policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or Assignees of the insured the grounds and materials on which such decision is based.*

Explanation I.—For the purposes of this sub-section, the expression "fraud" means any of the following acts committed by the insured or by his agent, with intent to deceive the insurer or to induce the insurer to issue a life insurance Policy:—

- (a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true;*
- (b) the active concealment of a fact by the insured having knowledge or belief of the fact;*
- (c) any other act fitted to deceive; and*
- (d) any such act or omission as the law specially declares to be fraudulent.*

Explanation II.—Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent keeping silence, to speak, or unless his silence is, in itself, equivalent to speak.

PART F

- (3) *Notwithstanding anything contained in sub-section(2), no insurer shall repudiate a life insurance Policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer:*

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the Policyholder is not alive.

Explanation.—A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

- (4) *A Policy of life insurance may be called in question at any time within three years from the date of issuance of the Policy or the date of commencement of risk or the date of revival of the Policy or the date of the rider to the Policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the Policy was issued or revived or rider issued:*

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or Assignees of the insured the grounds and materials on which such decision to repudiate the Policy of life insurance is based.

Provided further that in case of repudiation of the Policy on the ground of mis-statement or suppression of a material fact, and not on the ground of fraud, the premiums collected on the Policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or Assignees of the insured within a period of ninety days from the date of such repudiation.

Explanation.—For the purposes of this sub-section, the misstatement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance Policy would have been issued to the insured.

PART F

(5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

2) Statement of Age

- a) This Policy is issued at the Age shown in the Schedule which is the Life Assured's declared Age as at the Policy Commencement Date. - i) If the Age of the Life Assured has been misstated and if the correct Age of the Life Assured makes the Life Assured ineligible for this Policy, We may offer a suitable plan as per the then existing underwriting norms. If the Life Assured does not wish to opt for the alternative plan or if it is not possible for Us to grant any other plan, then this Policy shall be cancelled and the premiums paid shall be refunded without interest, subject to deduction of stamp duty paid and the cost of medicals, if any. The Policy will terminate on the said payment.
 - ii) If the actual Age of the Life Assured is higher than the declared Age and higher Single Premiums should have been charged as per Our board approved underwriting Policy, the benefits payable under this Policy shall be reduced to the amount that the Single Premiums received would have purchased at the actual Age of the Life Assured.
 - iii) If the actual Age of the Life Assured is lower than the declared Age and lower Single Premiums should have been charged as per Our board approved underwriting Policy, We will refund any excess premiums received, without any interest.
 - iv) This clause will be as per provisions of Section 45 of the Insurance Act, 1938 as amended from time to time.
