

GROUP TERM LIFE INSURANCE PLAN

Future Generali Group Term Life Insurance Plan

This is a group, non-linked, non-participating (without profits), yearly renewable term insurance plan

Introduction

Future Generali Group Term Life Insurance Plan is a group term life solution that provides comprehensive financial protection to the family against death of the insured member. This is a non linked, non participating pure term product. This product helps a group in creating additional social security by means of life insurance for its members. It could be offered to the following groups:

- **Employer Employee Group:**
Employees are the most critical wealth-generating assets of a company. Providing financial protection to employees has long been recognized as essential business practice. With more companies employing internationally mobile employees there is an ever-increasing need to achieve cost-effective protection, on a worldwide basis, against a range of diverse risks.
- **Non Employer Employee Group:**
Groups work with and exist only because of their members. Members could be your customers or any other individuals already associated with you. No matter what your area of work, the value that individual members bring to your group cannot be under estimated.

Future Generali Group Term Life Insurance Plan is a cost-effective way of providing immediate financial protection in the event of the death of an employee or member. The plan provides the essential protection that a company or a group would require as the cornerstone of a valuable group or corporate risk plan. By providing the employees or member with peace of mind, organization or group, in turn, promote greater loyalty for them.

The Future Generali Group Term Life Insurance Plan provides payment of benefit to the designated beneficiaries.
