Important things to know...

Paid Up

Upon non payment of premiums post the first 2 years and provided the policy is not in Auto Cover period, the policy will be converted to a Paid-up Policy from last unpaid premium due date. Death Benefit and Maturity Benefit will be reduced in proportion to the number of premiums paid to the number of premiums payable under the policy.

Auto Cover

After payment of at least 2 years premiums, if you are not able to pay premium within the grace period, you will get an auto cover of one year. If death occurs during the Auto Cover period, the Death Benefit payable will be as for an in-force policy after deducting unpaid due premium. If due premium remains unpaid during the Auto Cover period, the policy will be converted to a paid-up policy. Auto Cover will be available only once during the Policy Term and will not be available if the policy has been converted to a paid-up policy

Surrender

The plan will acquire a Surrender Value after all the due premiums have been paid for the first 2 full years.

Once the plan is surrendered, all benefits under the plan will immediately terminate and it will not be eligible for revival. The Surrender Value payable is higher of the Guaranteed Surrender Value and the Special Surrender Value

What is not covered?

Suicide Exclusion

In case of death due to suicide within 12 months from the date of commencement of risk under the policy or from the date of revival of the policy, as applicable, the nominee or beneficiary of the policyholder shall be entitled to 80% of the total premiums paid till the date of death or the surrender value available as on the date of death whichever is higher, provided the policy is in force
